

A. FACULTY OF AGRICULTURE

1. Department of Agricultural and Applied Economics

a) **Postgraduate Diploma (PGD) in Agricultural and Applied Economics**

b. MSc, PhD in Agricultural Economics with specialization in:

- a. Production Economics and Farm Management
- b. Agricultural Finance and Project Planning
- c. Agribusiness Management and Marketing
- d. Resource and Environmental Economics

2. Department of Agricultural Extension and Rural Development

a) **Postgraduate Diploma (PGD) in Agricultural Extension and Rural Development**

b. MSc, PhD in Agricultural Extension and Rural Development with specialization in:

- i. Agricultural Extension Administration
- ii. Agricultural Extension Communication
- iii. Rural Sociology
- iv. Community and Rural Development

3. Department of Animal Science

a. **PGD in Animal Science**

b. MSc, PhD in Animal Science with specialization in:

- i. Animal Nutrition and Biochemistry
- ii. Animal Production and Management
- iii. Animal Physiology and Reproduction
- iv. Animal Breeding and Genetics

4. Department of Crop/Soil Science

a. Postgraduate Diploma (PGD)

- i) PGD in Crop Science
- ii) PGD in Soil Science

b. MSc, PhD in Crop Science with specialization in:

- i) Plant Pathology
- ii) Crop Physiology
- iii) Crop Production
- iv) Plant breeding and genetics
- v) Environmental crop Science
- vi) Farming Systems
- vii) Entomology
- viii) Horticulture

c. MSc, PhD in Soil Science with Specialization in:

- a) Soil Chemistry and Mineralogy
- b) Soil Microbiology and Biochemistry
- c) Soil physics and Conservation
- d) Environmental Soil Science
- e) Soil survey and Land use planning
- f) Soil fertility and Fertilizer Technology
- g) Pedology

5. Department of Fisheries and Aquatic Environment

a. PGD in Fisheries and Aquatic Environment

b. MSc, PhD in Fisheries and Aquatic Environment with Specialization in:

- i. Aquatic Ecology
- ii. Aquaculture
- iii. Fisheries Biology
- iv. Fisheries Management and Policy
- v. Fish Processing and Utilization
- vi. Fish Nutrition

6. Department of Food Science and Technology

a. PGD in Food Science and Technology

b. MSc, PhD in Food Science and Technology with Specialization in:

- i) Food Microbiology and Biotechnology
- ii) Food Chemistry/Biochemistry
- iii) Food Quality Control and Assurance
- iv) Food Processing and Storage Technology

7. Department of Forestry and Environment

a. PGD in forestry and Environment

b. MSc, PhD in Forestry and Environment with Specialization in

- i. Forest Pathology
- ii. Forest Ecology and Environmental Management

- iii. Agro-Forestry, Silviculture and Tree Improvement
- iv. Forest Soil and Microbiology
- v. Forest Biometrics and Mensuration
- vi. Wood Science and Technology
- vii. Medicinal Plants and Phytomedicine
- viii. Wildlife Resources Management
- ix. Wildlife Ecology and Ecotourism

G. FACULTY OF EDUCATION

1. Department of Adult Education and Community Development

MEd, PhD in Adult Education and Community Studies

2. Department of Business Education

- a) **MEd** in Business Education
- b) **MSc** in Business Education with the following areas of specialization:
 - i) Accountancy
 - ii) Entrepreneurship
 - iii) Office Management and Technology
- c) **PhD** in Business Education

3. Department of Educational Foundations

MEd, PhD with the following areas of specialization:

- i) Philosophy of Education
- ii) History and Policy of Education
- iii) Sociology of Education
- iv) Curriculum and Instruction
- v) Educational Technology
- vi) Educational Psychology
- vii) Educational Measurement and Evaluation
- ix) Guidance and Counseling

4. Department of Science Education

MSc, PhD in Science Education, with specialization in:

- i) Biology
- ii) Chemistry
- iii) Mathematics
- iv) Physics

5. Department of Vocational and Technology Education

- a) **MSc**, in Agricultural Education, with specialization in:
 - i) Administration
 - ii) Community Development

- iii) Agricultural Resources and Environment
- b. **PhD** in Agricultural Education
- c. **MSc, PhD** in Technical Education, with specialization in:
 - i) Building Technology
 - ii) Electrical/Electronics Technology
 - iii) Mechanical Technology

6. Department of Educational Management

a. MEd, PhD in Educational Management

7. Department of Library and Information Science

- a) **PGDLIS, MLIS, PhD** in library and information science with specialization in:
- b) School Library and Media Technology
- c) Information Science
- d) Archives and Records Management
- e) Book Trade and Publishing

8. INSTITUTE OF EDUCATION

- i) **PGDTE/PGDE (Full-time and Sandwich)**
 - a) Post Graduate Diploma in Education (PGDE)
 - b) Post Graduate Diploma in Technical Education (PGDTE)
- ii) **The following Master's Degree (MEd/MSc) and Doctor of Philosophy (PhD) degree programmes are available in Sandwich programmes only in the institute of Education;**
 - a) Adult Education and Community Development
 - b) Agricultural Education
 - c) Business Education
 - d) Curriculum and Instruction
 - e) Educational Management
 - f) Educational Technology
 - g) Guidance and Counseling
 - h) History and Policy Education
 - i) Measurement and Evaluation
 - j) Philosophy of Education

- k) Science Education
- l) Sociology of Education
- m) Technical Education

NOTE: SANDWICH PROGRAMMES : *The first year Of the 2020/2021 Sandwich programmes for the Institute's PGDE/PGDTE, MEd/MSc, PhD programmes will run during the SANDWICH YEAR which includes long vacation(July/August), Christmas and Easter vacations.*

Hostel accommodation is available at an affordable cost for Sandwich Students

B. FACULTY OF ENGINEERING

1. Department of Agricultural and Environmental Engineering

a. **PGD** in Agricultural and Environmental Engineering

b. **M.Tech/PhD Programmes** with specialization in:

- i. Farm Power and Machinery Engineering
- ii. Soil and Water Engineering
- iii. Agricultural Products Processing Storage Engineering
- iv. Environmental Engineering

2. Department of Chemical/Petrochemical Engineering

a. **PGD, M.Tech, PhD** in Chemical Engineering

3. Department of Civil Engineering

a) **PGD Programme** in Civil Engineering

b) **M.Tech, Programme** in:

- i) Geotechnical Engineering
- ii) Water Resources Engineering

4. Department of Electrical Engineering

a) **PGD Programme** in:

- i) Power Engineering Option
- ii) Electronics Engineering Option

b) **MTech Programme** in:

- i) Power Engineering Option
- ii) Electronics Engineering Option
- iii) Communications Engineering Option

c) **PhD Programme** in:

- i) Power Engineering Option

5. Department of Marine Engineering

- a) **PGD Programme** in Marine Engineering
- b) **M.Tech, PhD** programmes in Marine Engineering with Specialization in
 - i) Marine Engineering (Power Plants) Option
 - ii) Naval Architecture and Ship Building Option
 - iii) Offshore and Subsea Engineering Option

6. Department of Mechanical Engineering

- a) **PGD** Mechanical Engineering
- b) M.Tech Thermo-Fluid
- c) PhD Thermo-Fluid

7 Department of Petroleum Engineering

- a) **PGD, M.Tech, PhD** in Petroleum Engineering

FACULTY OF ENVIRONMENTAL SCIENCES

- 1. Department of Architecture
 - i) **MSc, PhD** in Architecture
- 2. Department of Estate Management
 - i) **PGD, MSc, PhD** in Estate Management
- 3. **Department of Urban and Regional Planning**
 - i) **PGD, MSc, MURP, PhD** in Urban and Regional Planning
 - ii) **PGD, MSc** in Transport Planning
- 4. **Department of Surveying and Geomatics**
 - i) **PGD, MSc, PhD** in Surveying and Geomatics

D FACULTY OF LAW (FULL TIME AND PART TIME)

A. PGD in the following areas:

- a) Petroleum and Environmental Law
- b) Land Law and Land Administration
- c) Labour Law and Industrial Relations
- d) Customary Law and Practice

B. Master of Laws (LLM)

C. MA in Law and Diplomacy

D. PhD in Law, with the following options:

- i) International Law and Human Rights
- ii) Constitutional Law and Jurisprudence
- iii) Petroleum, Energy, Environmental and Natural Resources Law
- iv) Property and Compensation Law
- v) International Trade Law and International Economic Law, including Globalisation
- vi) Comparative Criminal Law and Penology
- vii) Labour and Industrial Relations law

- viii) Business, Commercial and Intellectual Property Law
- ix) Customary, Family and Medical Law

E. FACULTY OF MANAGEMENT SCIENCES (FULL TIME AND PART TIME)

- a) **PGD** in the following:
 - i) Accountancy
 - ii) Banking and Finance
 - iii) Management
 - iv) Marketing
 - v) Office and Information Management
 - vi) Supply Chain and Logistics Management
 - vii) Transport Management
 - viii) Tourism and Hospitality Marketing
 - ix) Public Sector Financial Management
 - x) Project Management

1) Department of Accountancy

- a. **MSc, PhD, MSc/PhD** in the following areas:
 - i) Accountancy
 - ii) Taxation
 - iii) Public Sector Accounting

2) Department of Banking and Finance

- a. **MSc, PhD, MSc/PhD** in the following areas:
 - i) Banking and Finance
 - ii) Quantitative Finance
 - iii) Corporate Finance
 - iv) Financial Markets
- b. **MSc** in Public Sector Financial Management

3) Department of Management

- a. **M Sc, PhD, MSc/PhD** in the following areas:
 - i) Human Resource Management
 - ii) Industrial Relations
 - iii) Business Policy
 - iv) Organizational Behaviour
 - v) Management

- ii) Project Management
- iii) Production and Operations Management

2) Department of Marketing

- a. **MSc, PhD, MSc/PhD** in the following:
 - i) Marketing
 - ii) Supply Chain and Logistics Management
 - iii) Tourism and Hospitality Marketing

3) **Department of Office and Information Management**

a. **MSc, MSc/PhD, PhD** in Office and Information Management

b. **MSc, PhD** Strategic Admin/Strategic Information Management

F. FACULTY OF SCIENCE

1. **Department of Microbiology**

a) **PGD** the following areas:

- i) Microbiology
- ii) Public Health

b) **MSc, PhD** in the following areas:

- i) Food Microbiology
- ii) Industrial Microbiology
- iii) Environmental Microbiology
- iv) Public Health Microbiology
- iv) Clinical/Pathogenic Microbiology

2. **Department of Animal and Environmental Biology**

a) **PGD** in Animal and Environmental Biology

b) **MSc, PhD** in the following areas of Specialization:

- i. Applied Entomology
- ii Hydrobiology/Ecotoxicology
- iii Ecology/Environmental Biology
- iv) Marine Biology and Marine Pollution Studies

3. **Department of Plant Science and Biotechnology**

a) **PGD in** Plant Science and Biotechnology

b) **M Sc, Ph D** in Plant Science and Biotechnology with specialization in:

- i) Plant Physiology and Biotechnology
- ii) Plant Breeding
- iii) Plant Ecology
- iv) Cytogenetics
- v) Taxonomy and Systematic
- vi) Plant Pathology

4. **Department of Chemistry**

a) **PGD in** Chemistry

b) **MSc, PhD in** Chemistry with the following options:

- i) Analytical Chemistry
- ii) Environmental Chemistry
- iii) Inorganic Chemistry
- iv) Organic and Natural Products Chemistry
- v) Physical Chemistry

5. Department of Computer Science

- a) **PGD, MSc, PhD** in Computer Science

6. Department of Medical Laboratory Science

- a. **PGD** in Medical Laboratory Science with specialization in:

- i) Medical Microbiology
- ii) Chemical Pathology
- iii) Hematology and Blood Transfusion Science

- b. **MSc** in Medical Laboratory Science with specialization in:

- i) Medical Microbiology
- ii) Chemical Pathology
- iii) Hematology and Blood Transfusion Science
- iv) Biorisk Management

- c. **PhD** in Medical Laboratory Science with specialization in:

- i) Medical Microbiology
- ii) Chemical Pathology
- iii) Hematology and Blood Transfusion Science

7. Department of Mathematics

- a) **PGD** in Applied Statistics

- b) **MSc, PhD** in the following areas:

- i) Applied Mathematics
- ii) Applied Statistics

8. Department of Physics

- a. **PGD** with specialization in:

- i) Applied Geophysics
- ii) Radiation and Environmental Physics

- b. **MSc** with specialization in:

- i) Applied Geophysics
- ii) Radiation and Environmental Physics
- iii) Theoretical Physics

c. Doctor of Philosophy (PhD)

- i. Theoretical Physics
- ii) Applied Geophysics
- iii) Astrophysics/Astronomy
- iv) Radiation and Environmental Physics

9. Department of Maritime Science (Executive Part Time)

- a. PGD in Maritime Transport
- b.. M.Sc in Shipping Management
- d. M.Sc in Maritime Transport
- e. Ph.D in Maritime Transport

H FACULTY OF HUMANITIES

1 Department of English Language and Literature in English

- (a) **PGD, MA, PhD** in English Language
- (b) **PGD, MA, PhD** in Literature in English

2 Department of French

- (a) PGD, MA, PhD in French

3 Department of History and International Diplomacy

- (a) PGD, MA, PhD in History and International Diplomacy

4 Department of Philosophy

- (a) PGD, MA, PhD in Philosophy

5 Department of Religious and Cultural Studies

- (a) PGD, MA, PhD in Religious and Cultural Studies

6 Department of Theatre Arts

- a) PGD, MA, PhD in Theatre Arts

I FACULTY OF SOCIAL SCIENCES

1. Department of Mass Communication

- a. **PGD**, in Mass Communication
- b. **MSc**, in Development and Communication Studies
- c. **PhD** in Mass Communication

2. Department of Political Science

- (a) **PGD, MSc**, in Local Government Administration
- (b) **PGD, MSc**, in Public Administration
- (c) **PGD, MSc**, in Peace, Conflict and Security Studies
- (d) **MPA** in Public Administration

3. Department of Psychology

- (a) **PGD, MSc, PhD** in Social Works and Gender Studies

3. Department of Economics

- a) **PGD** in Economics
- b) **MSc, MSc/PhD, PhD** with specialization in:
 - i. Development Economics and Planning
 - ii. International Economics and Finance
 - iii). Environmental Economics and Policy
 - iv). Monetary Economics
 - vi) Mathematical Economics and Econometrics
 - vii) Petroleum and Energy Economics

J **INSTITUTE OF GEOSCIENCES AND ENVIRONMENTAL MANAGEMENT**

- a. **PGD** with specialization in:
 - i) Environmental Management and Control
 - ii) Disaster/Environmental Risk Management
- b) **MSc**, with specialization in:
 - i) Environmental Management and Control
 - ii) Disaster/Environmental Risk Management
- c) **PhD** with specialization in:
 - i. Environmental Management and Control
 - ii. Disaster/Environmental Risk Management

K. **FACULTY OF BASIC MEDICAL SCIENCES (Full Time and Part Time)**

1 **Department of Human Anatomy**

- a. **PGD, MSc, PhD** with specialization in:
 - i. Clinical and Radiological Anatomy
 - ii. Embryology and Andrology
 - iii. Neuroscience
 - iv. Biological and Forensic Anatomy
 - v. Microscopic Anatomy
 - vi. Genetics and Genomics
 - vii. Sports Anatomy
 - viii. Gross and Comparative Anatomy

2. **Department of Medical Biochemistry**

- a. **PGD/ MSc/PhD** with specialization in:
 - i. Medical /Clinical Biochemistry
 - ii. Toxicological / Environmental Biochemistry
 - iii. Pharmacological Biochemistry

- iv. Nutritional Biochemistry
- v. Forensic Biochemistry
- vi. Endocrinology/Immunobiochemistry

3. Department of Human Physiology

a. PGD/ MSc/PhD with specialization in:

- i. Cell, General and Molecular Physiology
- ii. Cardiovascular and Respiratory Physiology
- iii. Renal and Body Fluids Physiology
- iv. Reproductive and Endocrine Physiology
- v. Environmental and Metabolic Physiology
- vi. Gastrointestinal and Nutritional Physiology
- vii. Exercise and Sports Physiology
- viii. Electro Physiology

4. Department of Nursing Science

a. PGD/ MSc/PhD with specialization in:

- i. Community/Public Health Nursing
- ii. Maternal and Child Health Nursing.
- iii. Medical Surgical Nursing.
- iv. Mental Health and Psychiatric Nursing.
- v. Nursing Administration and Management
